Developed by

RG land is a Geelong-based land development company that provides end-to-end solutions to transform developable sites into thriving residential communities. We actively source, capitalize, develop and manage master planned residential communities in the existing growth areas in and around Geelong. We also offer a comprehensive range of development management services to our clients and joint venture partners.

We boast of an extensive portfolio of major development projects in and around Geelong and use significant expertise to provide holistic services under the umbrella of R Goel Group.

Surge Capital is a property developer supported by a team of diverse professionals with years of experience, united by a common vision. Our vision is to create value for the community and our investors by focusing on creating exceptionally well-designed master planned communities.

We develop both residential estates and mixed-use properties to the highest design and environmental standards, enabling future communities to flourish.

Our aim is to be become one of Victoria's top development groups with a reputation built on quality and relationships. We intend to achieve this by building lasting relationships with our investors and by providing exceptional returns by delivering highly sort after residential communities.

Marketed by

RPM Group is a true industry leader, pioneering new benchmarks in market intelligence, knowhow and innovation. With a proven track record spanning almost 30 years, our unsurpassed market knowledge and data-driven insights have ensured our partners achieve excellent outcomes, and our clients, exceptional returns.

A full-service property business, our point of difference lies in our collective experience and the passionate people within our business. We pride ourselves on customer service through every step of the process, from site diligence, acquisition and master-planning, through to launch, marketing and sales strategies.
